(4a) While making the above arrangements, a vacancy (Jeep) of Clerk in the Dist Office was reported for advertisement. (Vide sl 9 in the list sent with letter No. C4 3/31-32 dated 18-9-1931). But subsequently, as the Director of Health took objection to the promotion of K. Subba Row (sl 4 above) without his consent, it was cancelled and the vacancy of K. Ranganatha Row on Rs 30/- in the District Excise Office was made available for advertisement (Vide letter No. 58 Est 31-32 dated 21-12-1931 and sl 6 of the list of Vacancies enclosed thereto) (Dep. list of vacancies i.e. on 18.9.31, both temporary and permanent vacancies were registered together. But subsequently, the entries in the Vacancy Register were cancelled and all permanent vacancies were registered in one Register and temporary vacancies in another Register and the revised list of vacancies according to this classification was sent on 21.12.1931.

(42) According to the Dist Office memo dated 21.8.1931 and the D.C's letter dated 24th March 1932, the vacancy of clerk in the District Excise Office on Rs 40/- became available on 22.8.1931; but it has been registered as become vacant on 1.12.1931.

(43) Without bringing the original vacancy on Rs 40/- on the Vacancy Register, the consequential vacancy on Rs 30/- after giving effect to the promotion arrangements, has only been registered. This is incorrect.

(44) This vacancy on Rs 40/- has been reported to have been treated as a promotion one for the reason that the first five vacancies were treated as direct recruitment ones. The District Office does not appear to have understood the rules regarding classification of vacancies into Direct recruitment and promotion ones.

a pay of Rs 25/- each and therefore fall in class III of appointments and being the appointments in the last grade in the Revenue Offices, are all direct recruitment ones. The Vacancy on Rs 40/- (if it had been registered as required by the rules) would have been the 1st Vacancy in class II of appointments and therefore it should have been treated as a Direct Recruitment Vacancy. It is, therefore, seen that the promotion arrangements given effect to as per D.C's memo No. M2-14/31-32 dated 21-8-1931 are irregular.

(46) The present position is that promotions have been given effect to in filling up the Direct recruitment vacancy of Clerk on Rs 40/- and the consequential Vacancy on Rs 30/- was advertised as Special Vacancy No. 800/31-32, and one V. SIR,

With reference to your letter No.3310/C.A.B. dated 26th December 1931 calling for certain information re: the filling up of the vacancy on Rs.40/- in the District Excise office, I have the honour to state as follows:-

As regards item No.1 :- the vacancy was treated as promotion vacancy and the last place on Rs.25/- in the Health Office was included in the list of vacancies sent with this office No.2443/31-32 dated 15-9-31 to the Secretary Central Recruitment Board.

As regards item No.2 :- The Secretary, Central Recruitment Board wanted in his letter No.2033/C.R.B, dated 2-12-1931, that sanction of Government should be obtained to fill up the vacancy. A reply was sent to him with this office No.58 Est./31-32 dated 21st December 1931 saying that the vacancy fell long after the Government Order of 14th September 1931 and so the sanction of Government did not seem to be necessary.

As regards item No.3:- Kind reference is invited to the supplementary note sent to the Secretary, Central Recruitment Board, with this office No.C.671/31-32 dated 2nd December 1931 wherein I have clearly explained the circumstances under which the promotions were given to the officials who are working in the Excise Branch.

To The Deputy Commissioner

Sir,

With reference to the correspondence ending with your letter No. P. Estt. Regr. 6 dated 6th December 1932, relating to the filling up of the vacancy ~~of a~~ permanent of a clerk on Rs. 40/- in the District Excise Office, Shimoga, I am directed to state as follows:-

action taken

The filling up of this vacancy which became available on 22.5.1933 without bringing it on the Vacancy Register (by making seriatim promotion arrangements releasing a vacancy on Rs. 30/- for advertisement

and are entering the same as having occurred on the 1st December 1931 ~~one in a sweet is regular~~

The procedure adopted classifying this vacancy as a promotion one on the ~~strength~~ ground that the first five vacancies were treated as Direct Recruitment ones, is (not also) correct. The five vacancies referred to, carry a pay of Rs 251 each per mensem and, therefore, fall under class III of appointments (Vide para 9 of the Manual of Recruitment Rules) and being appointments in the last ~~grade~~ class in your Unit, are all direct recruitment ones. The vacancy on Rs 400 in question (if it had been registered as occurred ~~after the occurrence~~ as required by the rules) it would have been the first vacancy in class II of appointments and therefore should have been treated as a direct recruitment one and thrown open for advertisement to the ~~public~~ (Vide para 13 (c) of the Manual of Recruitment Rules).

I am directed to state that the arrangements ~~are~~ cannot be approved ~~and~~ ~~direct that the above~~ to request you to do so good as to have ~~appointments~~ ~~made to above~~ ~~be vetoed and that~~. the original vacancy on Rs 40/- itself ~~is~~ registered and classified as a special vacancy and disposed of by advertisement.

The

The Deputy Commissioner,
Shimoga District, Shimoga.

With reference to the correspondence ending with your letter No.P.Adv.Regr.6. dated 6th December 1932, relating to the filling up of the permanent vacancy of a clerk on Rs.40/- in the District Excise Office, Shimoga, I am directed to state as follows:-

The action taken in filling this vacancy, which became available on 32-8-1931, by making seriatim promotion arrangements without bringing it on the Vacancy Register, releasing a vacancy on Rs.30/- for advertisement and registering the same as having occurred on the 1st December 1931 is irregular.

The procedure adopted in classifying this vacancy as a promotion ~~and~~ on the ground that the first five vacancies were treated as Direct Recruitment ones, is also not correct. The five vacancies referred to, carry a pay of Rs.25/- each per mensem and, therefore, fall under class III of appointments (vide para 9 of the Manual of Recruitment Rules) and being appointments in the last class in your Unit, are all direct recruitment ones. The vacancy on Rs.40/- in question (if it had been registered as soon as it occurred as required by the rules) would have been the first vacancy in Class II of appointments and therefore a direct recruitment one to be advertised (vide para 13 (c) of the Manual of Recruitment Rules).

I am therefore to state that the arrangements made cannot be approved and to request you to be so good as to have the original vacancy on Rs.40/- itself registered and classified as a special vacancy and disposed of by advertisement.

I am to add that V.S. Ratnavelu who will lose his appointment for no fault of his may be continued in temporary vacancies available in your Unit on the same pay and absorbed eventually a report being sent to the Secretary, Central Recruitment Board in the usual A and B Statement forms.

The file of correspondence and the vacancy Register received from you are returned herewith.
